

The Heat Reflects Away, And Your Home Stays Cool.

The CertainTeed Reflective Shingles Collection is a brilliant breakthrough that puts cool roof technology to work for you. Plus, our palette of rich, authentic colors makes it an easy choice for eco-friendly living.

The secret is in CertainTeed's advanced roofing granules that reflect solar energy and radiant heat far better than traditional roofing shingles, reducing your roof's temperature in the summer.

Choose from three spectacular solar shingle line-ups.

Good: Landmark® and Landmark Solaris®

Better: Landmark Solaris® Gold, Landmark Pro®, Landmark Pro Solaris® and Presidential Solaris®

Best: Landmark Solaris® Platinum, with an industry leading solar reflectance value of over 40%, Presidential TL Solaris®, Arcadia Shake and Presidio metal roofing.

The CertainTeed Solar Reflective Shingles are ecologically smart, beautifully durable, and architecturally ideal for sunny climates or anywhere solar heat is a challenge.

Exceptional Protection, No Matter The Project

CertainTeed offers options in the GOOD, BETTER and BEST tiers that will fit your needs and exceed your expectations.

Energy Savings

So cool, it's rated for rebates.

CertainTeed Solar Reflective Shingles are rated by the Cool Roof Rating Council (CRRC) for cool roofs and meets California's Title 24 requirements for cool steep slope roofing.

CertainTeed Solar Reflective shingles may qualify for credits/points in LEED®, NAHB® and other "green" programs.

And some utility companies offer a rebate for CertainTeed Solar Reflective Shingles that can put as much as \$600 back into a homeowner's pocket for an average 3,000 sq. ft. roof.

Some CertainTeed Reflective Shingles are also ENERGY STAR qualified roof products that meet both solar reflectance and thermal emissivity requirements.

LANDMARK SOLARIS® GOLD

Look deeper. With Landmark Solaris Gold, a new dimension is added to shingles with a richer mixture of surface granules. You get a brighter, more vibrant, more dramatic appearance and depth of color. And the natural beauty, authentic color and style shines through.

LANDMARK® PRO

Landmark Pro is a heavier weight laminate designed specifically for the professional roofing contractor that takes pride in providing more to their customer.

Landmark Pro improves upon the CertainTeed Landmark shingle, a leading consumer publication's "Best Buy" for the past five years.

LANDMARK PRO SOLARIS®

Landmark PRO is also available in four rich Solaris blends.

PRESIDENTIAL SOLARIS®

Presidential Solaris Gold is a solar reflective asphalt roofing that is designed to replicate the look of authentic wood shakes, delivering the charm of hand-split wood shakes with durability and strength that outperforms wood.

The rich mixture of surface granules adds a new dimension to the shingle.
